From The Desk of Msgr. Matthew Mitas:

REMEMBER THAT DECEMBER IS THE MONTH OF THE IMMACULATE CONCEPTION!

THE MOST WONDERFUL TIME OF THE YEAR...

...as the old Christmas tune says, would be now. I love the Advent season, which leads so beautifully into the season of the Nativity of the Messiah. As I keep pointing out, Advent is a discrete season from Christmas and has its own compelling and endearing customs. A big part of those is the traditions that surround the saints of the Advent season. This week (on Tuesday, Dec. 6, actually) we have the feast of St. Nicholas, one of the best known and most beloved of all God's hallows. He was a 4th c. Greek bishop whose love of children and solicitude for the poor have made him the very personification of the bounty of God's goodness and Christian generosity. He became, of course, the model for the figure of Santa Claus, whose very name is but a corruption of "St. Nicholas". You know the custom: the children hang up their socks (or put out their shoes, depending) and in the night, the saintly bishop comes and fills them with treats, but *only if the children have been good!* If they have not been good, the mischievous Rupprecht comes and gives them coals (which, I suppose, is no longer a concern since President Obama destroyed the coal industry!). And don't forget the Advent Vespers. We had a great turnout last Sunday despite the rain, and will keep on celebrating them for all of Advent's four Sundays. All are welcome!

MARY IMMACULATE, PATRONESS OF OUR NATION

Another great feast that falls in the course of the Advent season is that of the Immaculate Conception, who was chosen by the bishops of America (our Bishop Kenrick being one of them) in 1846 to be the protectress and patroness of the United States. It's a huge feast and is, naturally, a holy day of obligation. Consequently, we will have four Masses for the feast: this Wednesday, Dec. 7, at 6:00PM, and this Thursday, Dec. 8, at 6:30 & 8:00AM and again at 7:00PM (notice that there's a time difference for the two evening Masses). Come and celebrate this great feast!

IT'S STILL NOT TOO LATE...

...to join the 150 Club. Just put your name on an envelope marked "150 Club" and get it to us in a timely fashion (it costs \$150 for one person, \$200 for a couple). You'll still be eligible for all subsequent drawing and, of course, the big gala in the spring!

QUIZ-A-CATHOLIC

The papacy has been around for almost 2,000 years and has been an integral part of salvation and world history. See how much you know about the popes and the part they played in the ongoing saga of the human race:

1. Name all the popes who visited the United States while they were pope.
2. Which pope stopped Attila the Hun?
3. Which pope promulgated the dogma of the Assumption of Our Lady?
4. Name the first pope to condemn Martin Luther.
5. Which pope invented Roman type?
6. Which pope started the building of the new St. Peter's and commissioned Michelangelo to paint the Sistine Chapel?
7. Which pope crowned Charlemagne on Christmas day, 800AD?
8. Name the pope who instituted the calendar that the whole world still uses.
9. Name the pope who excommunicated Queen Elizabeth I of England.
10. Name the two popes Napoleon tried to dominate, but failed.

QUOTES OF THE WEEK

“The general liberalization of religion has failed. The attempt to keep Christianity and Judaism *au courant* with contemporary fads has merely enfeebled the sense of the sacred, turning worship into thinly disguised self-indulgence. A ‘non-judgmental’ God is not God at all and, precisely because He doesn’t need to be obeyed, cannot be adored. And a God who permits everything doesn’t really exist. What’s the point of calling such an entity ‘God’?” - *Joseph Sobran*

“The conjunction of ruling and dreaming generates tyranny.” - *Michael Oakeshot*

Happy Advent!

This is a great time of year!! Our theme for Advent this year is "Each of us is an innkeeper who decides if there is room in our hearts for Christ." The students each day will think about what they could do to welcome Christ. Maybe it might take the form of a kind word or work, generous giving, kind actions, praying more, listening to their teacher, less talking when asked, being grateful to their parents and we could go on and on. We can bring Christ to our world! Take a little time out of each day and bring Christ into your families through prayer and actions this Advent season.

Our biggest bulletin board has the theme for Advent to remind the students daily. The bulletin board has the theme with hearts on the board with question marks in the middle of them asking if the students' hearts are ready to receive Christ.

Each day the students will also think about how they are going to bring Christ into their hearts. They will write this on a heart and place it in Jesus' crib, symbolizing that we are getting ready to receive Jesus.

The sixth graders enjoyed an afternoon of bowling this week. This was their reward for having the highest participation during our Walkathon Fundraiser. Congratulations to our sixth grade. We now have a candy sale going on as many of you know. We thank you for buying candy bars as you leave Church on the weekend.

Our eighth graders are going to learn about chastity, abortion, etc. during the Right Start Program given by Mr. Steve Rupp from the Archdiocese Right to Life Office. It is a great program and is prayerfully presented to our young adults.

Keep Christ in Christmas!!

Development Of The Unborn Baby During The Third Month

Your spiritually adopted baby is quite active. Even though the mother cannot feel her yet, your baby kicks and flips herself around her secure, watery world. Her eyes have closed so that the delicate eyeballs can finish developing. Her cartilage skeleton begins to change over to real bone. Your baby sucks her thumb, hiccups when she swallows the amniotic fluid, and can close her fingers around an object placed in her hand. Your baby's face is very expressive—she will squint, frown and smile! Your baby is now 3 inches long and can hear outside noises. Her favorite sound is her mother's voice!
