## *From The Desk of Msgr. Matthew Mitas:*

**REMEMBER THAT AUGUST IS THE MONTH OF THE BLESSED SACRAMENT!**

### **LORETTO ALUMNI**

It is my fondest hope that all of our new parishioners who are veterans from the old O. L. of Loretto/the Rosary feel at home here and get involved in the social and spiritual life of our parish. Toward that end, if you are new to our parish, I extend a special invitation to you to join one of our parish organizations and join in the society and service of this great parish. The various parish organizations are listed on pages 6-12 of our "Parish Directory and Guidebook" (free copies of which are available from the parish office). It gives descriptions of what each organization does, when they meet, and who's in charge of them. I want to give a particular emphasis to our Men's Club, which meets in the lunchroom on the 4<sup>th</sup> Monday of each month (so their next meeting is tomorrow, Aug. 22) and the Ladies' Club, which meets on the first Wednesday of each month. Because we're "old school" here, you have to be an actual male to join the Men's Club and a true female to join the Ladies' Club, and you have to be an authentic senior citizen (55 & older) to join our "SAMS", i.e., the St. Angela Merici Seniors, who are a real fun group who meet in the gym for lunch on the 2<sup>nd</sup> Monday of each month. Come and enjoy!

### **LA GRANDE FETE DE ST. LOUIS IX, ROI DE FRANCE**

This Thursday is the feast of the primary patron saint of our archdiocese. If you don't know who he is, then head for the corner and make shame. (In truth, when I ask a class of kids in our school to name the patron saint of the archdiocese, it usually takes three or four guesses before somebody finally [and sheepishly] avers, "St. Louis?") We will celebrate Mass that day at 8:00AM in grand style and the Morning Prayers (at 7:40AM) for his feast equally as well. Come and join your fellow St. Louisans on this great day!

### **JOIN THE 150**

We're still getting this new fundraising organization together. Actually, I'm doing it an injustice by calling it a fundraiser. It's main purpose is to be a *fun*-raiser, bringing the parish together for a big dinner/dance. We're still working on the details (i.e., dates & amounts), but it will most likely cost \$150 to join, and for that amount you will get three great things: 1) twelve chances to win a substantial jackpot, 2) a place at table and on the dance floor for the big dinner/dance at year's end, and 3) the deep down satisfaction that you've helped our parish and school. Stay tuned...more details will emerge soon.

### **LOURDES/FATIMA/ROME/ASSISI TRIP**

I'm still working out the details for this pilgrimage with our travel agent, Jeff Stoll, but it looks like the dates for the trip will be October 16 (Monday)-26 (Thursday) 2017. Whether you've expressed any interest in this in the past or you're a parishioner or not, it doesn't make any difference: everybody is welcome to go. We've got more than a year to get ready. I'll make flyers available when I have all the info.

### **QUIZ-A-CATHOLIC**

Since Thursday is the feast of the patron and namesake of our city and archdiocese, let's see how much you know about the city of St. Louis.

1. The city of St. Louis was founded on Valentine's Day of what year?
2. Who is recognized as the founder of St. Louis?
3. How old was the man in #2 when he founded St. Louis?
4. Why was St. Louis founded in its present location?
5. For what purpose was the village of St. Louis founded?
6. All the original buildings in St. Louis were built of logs, but in what distinctive style?
7. Of what diocese was St. Louis a part when it was founded? (For extra credit, name the other dioceses to which St. Louis has belonged.)

8. There are two St. Louis properties that have never been sold, viz., they still belong to the heirs of the people who acquired the land when St. Louis was founded; Name them.

9. In 1806, Bp. Flaget of Bardstown recommended what city to be the new diocese in the Northern Louisiana Territory?

10. How big was the city of St. Louis as it was originally laid out?

*ANSWERS: 1. 1764 2. August Chouteau, working for Pierre Laclède 3. 14 years old 4. It was located on the west side of the Mississippi so as to be in French territory, it was close to the confluence of the Missouri and the Mississippi, and it was downstream from the confluence, and on high ground (so it wouldn't be flooded) 5. To be an outpost for the fur trappers of the region 6. The logs were set vertically (in the French style), rather than in the English style, horizontally (like "Lincoln Logs") 7. The Archdiocese of Quebec, then Santiago (Cuba), Louisiana and the Two Floridas, the Diocese of St. Louis, and the Archdiocese of St. Louis 8. The land underneath the Old Cathedral and Lafayette Park (the Cathedral land was given to the Church by Laclède and the Park was part of the old "St. Louis Commons", which belonged to everybody collectively and it still does) 9. Ste. Genevieve (he thought the people of St. Louis were too immoral) 10. It was pretty much the area that now comprises the Jefferson National Expansion Memorial and Laclède's Landing*

The Northeast Deanery Children's Choir is about to begin its 3<sup>rd</sup> season. This Choir is for children in grades 4 - 8 who do not otherwise have an opportunity to sing in their own parish children's choir. Auditions will take place the week of August 29th at Holy Name of Jesus Church. Rejoice and be glad, the school community is back! We are so happy to be here! It is like a family reunion: hugging, exchanging stories from the summer, learning about new friends and centering all around the love of God!!

We have a program that we initiated about seven years ago. It is called the "Keys to Success." There are various keys the students can earn: attitude, performance, love, etc. There are seven different keys. We have a key of the month. I have taken the Key of Month and added a saint to the key. This month of August/September we have the attitude key, it challenges us to have a positive and trustful attitude in God, we can accomplish anything. The saint that we paired with the attitude key is St. Jane Frances de Chantal. The students study the life of the saint every month and we then create a holy card to remind them of the saint they are trying to follow. We become acquainted with many saints throughout the year.

Our partnership with parents begins now. We have class meetings in the various grade levels. The teacher meets with the parents and explains his/her goals and expectations for the year. The parents and school then work together to challenge the student to grow in the love of God and to become the best possible student.

We had a great treat on Sunday of our Open House. We were treated to the best BBQ in town. The Men's Club treated us to a delicious lunch. We thank them.

This is just one small reason why we are a parish that is centered on Christ and giving to others!!

God is Good!

## 8<sup>th</sup> Grade Respect Life Creative Writing Contest

Earlier this year, the Archdiocesan Respect Life Apostolate and the St. Angela Merici Respect Life Committee sponsored their annual creative writing contests for all 8<sup>th</sup> graders. The subject was chastity and how this virtue relates to LIFE issues. The 8<sup>th</sup> grade students of SAM participated in these contests. They created letters, essays, poems, and prayers. On April 8<sup>th</sup>, after our all-school liturgy, Msgr. Mitas presented our parish's 1<sup>st</sup> place award to Emilie Bay, 2<sup>nd</sup> place award to Courtney Williams, and 3<sup>rd</sup> place award to Claudia Walch. There were 3 Honorable Mention awards given to: Michaela Frazier, Chloe Grant, and Seun Obanigba. Courtney Williams was also honored as our parish's finalist at the Archdiocesan Respect Life Apostolate's award ceremony on April 20th. Two of the six winning essays can be found below (we will publish 2 essays at a time). Congratulations and thanks to all of our participants, their parents, and their teachers!

### Letter to Self by Emilie Bay

Dear Self,

You are pro-life, and there's a reason for that. The reason is because all life is important no matter what form it's in. The first stage of life is a zygote. At that moment the person may be as small as a period at the end of a sentence or a speck of dust, but is still a person, and is still alive. Maybe it can't breathe yet, maybe it doesn't have a heart-beat, a face, arm, or legs, or any organs, but the thing is that it will, it just needs the chance to. If an abortion is performed then it loses that chance. It could be your best friend, the next great actor or singer, the president of the United States, a genius, an inventor, but most importantly someone's mom or dad, brother or sister....it could have been a person.

Living the virtue of chastity will help you with this, being pro-life, avoiding abortion, and strengthening your relationship with God. If you live a chaste life that defeats the risk of abortion because there will be no chance of you getting pregnant before marriage. During this time, with all the temptations, and how 'popular' or encouraged having sex may be, it can be hard to live a chaste life and stay strong in what you believe. But whatever else is going on around you doesn't matter, who cares if your friends do it? They will be the ones who have to answer to God, not you.

To conclude, I'd like to say that you need to remember what really matters is your promise to God and yourself. Not being popular or like everyone else. You have to live a chaste life, it will keep you safe, holy, and happy.

Sincerely,  
*Your past self*

### The Gift of Chastity by Courtney Williams

Chastity blesses us with true holiness.  
We are saved for God and our partner, therefore,  
Adultery we do not commit.  
We follow the 10 Commandments, God's laws.  
The respect we show is like the glow around Jesus' halo.

I want to say I displayed chastity, when I meet Him high in the sky.  
By living a chaste life, we are brought closer to Our Lord.  
Like the creatures on Noah's Ark that just climbed aboard.  
Chastity brings holiness, love, and respect,  
Things we cannot neglect.

Chastity blesses us with good health.  
This is our earthly body and it's a temple.  
Don't let yourself and others treat it like a rental.  
Sexually-transmitted diseases are very yucky.  
If we choose chastity, we will be very lucky.  
Protection for our babies and ourselves is what we receive;  
This precious gift we don't want to ruin once we conceive.

Chastity blesses us with true happiness.  
With Chastity, it is God we are closer to.  
He is amazing. What can't He do?  
A good relationship with God will make every person leap for joy.  
With Chastity, we have given ourselves self-respect and  
Will not be pushed around like a toy.  
We are disease-free and that's the way to be.

Chastity makes us happy and pure.  
Following God's plan is the perfect cure.  
Chastity eliminates abortion.  
What we receive through chastity is strength and grace.  
We need these to love our baby and cradle his little face.  
Jesus said, "*Love one another as I have loved you.*"  
This applies to innocent babies, too.  
Their lives depend on the choices we make,  
Like a single stone rippling across a lake.  
If we truly believe that "*A person's a person, no matter how small*",  
Then we would never take the life of any baby at all.  
Stay chaste, and don't let a precious life go to waste.
