From The Desk of Msgr. Matthew Mitas:

REMEMBER THAT MARCH IS THE MONTH OF ST. JOSEPH!

FIRST SUNDAY OF...ADVENT?

Yes, I know that today is the First Sunday of Lent. Yes, I also know that the cover of this bulletin, replete with the picture of Our Savior's being tempted in the desert, is captioned "First Sunday of Advent". It's not a mistake. Rather, *it's compensation for a mistake*. If you remember, the cover of our parish bulletin for the First Sunday of Advent read "First Sunday of Lent", so I thought we needed to even things out by captioning this week's bulletin as the First Sunday of *Advent*. If only all the rest of life was this easily compensated for!

IN HONOR OF THE SAINTLY POLISH PRINCE

This Wednesday is the Feast of St. Casimir, and, as is our custom, we will honor him by offering a special evening of sociability with a distinctive Polish flavor...*literally!* A sumptuous Polish dinner is being served in our gym from 4:30-7:00PM (or until the food runs out). You know how good it is, so, whether you're Polish or not, take a hiatus from the rigors of Lent and enjoy a great dinner with your neighbors. *Sto lat, sto lat, niech zyje, zyje nam!*

LENTER SPEAKER SERIES

It continues this week with Ray Gerard, who will speak to us on St. Paul and truth and love in the Cross and resurrection of Jesus (takes place after the Stations at 7:00, in church).

CALLING ALL USHERS (AND WOULD-BE USHERS)!

There will be a special meeting of all our ushers on this Thursday, March 5, at 7:00PM in the lunchroom. Also, anyone who would like to become an usher is also welcome to attend. There is much to discuss...

QUIZ-A-CATHOLIC

We've examined holy trilogies, quartets and quintets, now we go after clusters of six that pertain to our faith. See if you can identify these sextets:

1. Name the six attributes of God.
2. Symbolizing #1, a chalice has a six-sided base. What do we call a six-sided polygon?
3. What figure in the Bible has a number of 666?
4. How did the Sistine Chapel get its name?
5. Which six sins constitute the "blasphemy of the Holy Spirit", which Jesus said could not be forgiven?
6. What was created on each of the six days of creation?
7. What special name is given to the sixth Sunday of Lent?
8. Who delivered six Sermons to the Jews (as recorded in the Acts of the Apostles)?
9. According to Life Teen, what are the six things a Catholic girl should look for in a man?
10. In traditional thought, what does the number six signify?

ANSWERS: 1. Power, majesty, wisdom, love, mercy, & justice 2. Hexagon 3. The Beast of the Book of Revelation (which was, actually, the emperor Nero) 4. From the name of its builder, Pope Sixtus V 5. Despair (of one's salvation), Presumption (that one did not need to repent), Resisting the known truth, Envy of graces given to others, Obstinacy in sin, & Final impenitence 6. 1st-Light & darkness, 2nd-the sky, 3rd-sea, dry land, & plants, 4th-sun, moon, & stars, 5th-birds & sea creatures, 6th-dry land animals & man 7. Palm (or "Passion") Sunday 8. St. Peter (five) and St. Paul (one) 9. Work ethic and goals, a smile and sense of humor, a giving heart and love for family, patience, a leader, striving for holiness 10. Imperfection (since it is one short of the "perfect number", seven)

QUOTES OF THE WEEK

"These are the seven deadly sins: wealth without work, pleasure without conscience, knowledge without character, business without morality, science without humanity, worship without sacrifice, and politics without principle." - *Mohandas K. Gandhi*

"Sodomy, then, has several things to recommend it to liberalism. It helps advance the assault on family-centered morality, and the family is one of the chief obstacles to the state, which seeks a monopoly of power and loyalty. It enables the state to intervene in formerly private situations on behalf of those who have been 'discriminated against'. Its creation of 'homophobia' also enables the state to extend the reach of its habitual motive-hunting in the name of civil rights. And the health problems sodomy generates can be used to justify more taxing and spending... When morality is relative, the state becomes absolute. Maybe nobody can say what is right or wrong, but the state can say what will be punished." - *Joseph Sobran*

WORD OF THE WEEK

QUICQUIDLIBET: (*n.*) Whatever one pleases, anything whatsoever, as in: *Secular morality teaches that one can do quicquidlibet and it's okay, as long as it doesn't hurt anybody.*"
