Pondering With Deacon George:

**"If they will not listen to Moses and the prophets,
neither will they be persuaded if someone
should rise from the dead."**

Luke 16: 31

We live in a world full of sound and a world in whom others want to get our attention. Twenty-four-hour news cycles and commentators on all sides, mass media and social media posts, government leaders, peers, family, people giving their opinion on almost every topic. In all of this, whom do we listen to?

In our gospel this weekend, the rich man had many factors that shaped his belief system and his behavior toward others. Throughout his life, he was given many opportunities to change his ways, but he did not. In facing the consequences, he realized how wrong he had been and hoped to save his brothers from the same fate. He cries out to Father Abraham to send messengers from the dead to his brothers so that they may change their ways. Abraham points out that they have had Moses and the prophets, but the rich man says they aren't enough. To which Abraham says: "If they will not listen to Moses and the prophets, neither will they be persuaded if someone should rise from the dead."

To whom do we listen to? We too have Moses and the prophets along with Jesus, Paul, and the teaching of the apostles. We have the Church fathers and mothers, saints, spiritual writers down through the ages all helping us on our journey of life. When it comes to discerning how we live and be in relationship with others, are we listening to these guided or the world?

God has given us many witnesses to guide us, its
up to us to listen,
Deacon George

Anointing of the Sick:

"Is any among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith will save the sick man, and the Lord will raise him up; and if he has committed sins, he will be forgiven."

-James 5:14-15

Throughout his public ministry, Jesus healed the sick physically, mentally and spiritually. The apostles continued this ministry and handed it on to their successors. For 2,000 years, the Church has continued Jesus' ministry of healing through the **Sacrament of the Anointing of the Sick**.

At St. Angela we going to begin celebrating each month the Sacrament of the Anointing of the Sick on the second weekend after Mass, alternating between the Saturday evening and the two Sunday Masses. The first will be on Sunday, October 11 following the 5:00 PM Mass.

This Sacrament is a sacrament of healing and so is for anyone who has a chronic, serious illness, anyone preparing for surgery, or anyone suffering from the effects of advance age.

We invite all in the parish who could receive benefit and grace from this sacrament to join us on October 11th as we pray with and for each other, asking God's healing, comfort and peace for all who receive the sacrament.

Aging is a natural process. Whether we are 8 or 80, we have all been growing older ever since we were born. Since aging is a lifelong process, there is no set age when one is considered old. Sister Cathy and Father Jack will lead us through looking at aging gracefully no matter how old we are and facing the surprises and challenges of life.
